ET240h 23.6” Hard Glass LED Height Adjustable stand

The ET240h from Edge10 comes with a huge 23.6” Hard Glass protected Full High Definition LED lit backlit display, maximizing the available screen space and minimizing the need for constant and repetitive scrolling. The stand can extend to 110mm as well as pivot (landscape through portrait), tilting and rotating on its base. The toughened glass protects from accidental knocks whilst offering an anti glare tint to ensure a crisp and clean display image. Integrated stereo speakers and dual input (VGA and DVI) ensures this product ticks all the boxes!
